Hi there,
I am Melanie Kostka and I am pleased to
welcome you here to our home.

If hiking the pilgrimage route or cycling the
"Vulkanradweg" or walking along the Glauberg,
you are always right to plan an overnight stay
at our apartment.

Your (rent) apartment is equipped with a small
but fully furnished kitchen, bathroom, bedroom,
living room, SAT TV, WLAN and an own fitness
and wellness area.

You are welcome to book a massage or
personal training with our personal instructor.

After a relaxing evening and night, you are
going to start the new day with an excellent
breakfast at our sun terrace, before you are
going to explore Glauberg, the Celts or the
historical old town of Büdingen or one of the old
monasteries close by.

Enjoy all the benefits of an individual
and comfortable holiday apartment including
kitchen
and bathroom with catering breakfast
homemade.

Children and pets are warmly welcome.
I am looking forward to welcoming you here
soon.

General

Our home "Haus am Glauberg" is located in
a quiet and sunny area at the bottom of the
hill Glauberg, directly surrounded by
expanses of open fields and woodland
providing excellent opportunities for
walking, bike riding and roller blading.

Your rooms are in an light-through-flooded
apartment with a beautiful terrace and a
view over the village of Glauberg. Your
entrance is separate.

Plenty of forest paths are directing you to
the top of the Glauberg or the pilgrimage
route "Bonifatius" They are all located
close to our home.

Nearby starts the bicycle tour
"Vulkanradweg" as well. This is a 94
kilometre long cycling path.

Recover, relax and soothe your soul, lose
track of time and leave every day life
behind you!!!
